This certificate supersedes all previous Repair and Overhaul letters/certificates and is subject to the terms on the back hereof.

We confirm that your Quality Assurance Controls meet the general requirements of Industrial Turbine Company (UK) Ltd, as specified in the Energy Business Quality Requirements (EBQR).

The Authorisation Scope defined is only valid whilst Quality Systems Authorisation to an appropriate internationally recognised standard is maintained.

Your attention is drawn to the need for you to notify Industrial Turbine Company (UK) Limited of management and organisational changes and any change of status of your Quality Systems Approval, in accordance with EBQR.

Authorisations granted are dependent upon the agreed standards being maintained by you and may be revoked at any time by Industrial Turbine Company (UK) Limited, without notice and liability. Nothing in this Authorisation shall prejudice any rights or remedies available to Industrial Turbine Company (UK) Limited under the terms of the current Maintenance Repair and Overhaul Agreement bearing the referenced Authorisation Number.

This certificate shall at all times remain the property of Industrial Turbine Company (UK) Limited.

This certificate must not be used for publicity purposes without the express permission of Industrial Turbine Company (UK) Limited.

Failure to abide by these terms may result in Authorisation being withdrawn.
